

John Day River Bass Trips

A list of bed and breakfasts, motels, and RV parks will be sent to you if you plan to come to the area the night (or day or two) before your trip.

Breakfast will be waiting the morning of your trip; after which you will depart from a public or private put-in, depending upon the section to be fished and the time of year.

You will fish and enjoy the scenery all morning, and then take time for a Dutch-oven prepared lunch cooked right in your boat!

On to more fishing, and then a midday snack of Dutch-oven prepared cobbler.

More Fishing right up to take-out time. If it's a multi-day trip, you got it - more mouthwatering food! The camp is set up for you (all you had to bring was your own sleeping bag and air mattress).
